April 14, 2005

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**Fish and Game Propagation Fund Grant Awards  
(All Supervisorial Districts)  
(3-Votes)**

**IT IS RECOMMENDED THAT YOUR BOARD** approve the following Fish and Game Propagation Fund grant requests totaling \$5,000 for:

1. The June 4, 2005 'Knabe Katch' Fishing Derby event to stock the lake at Cerritos Regional Park with catfish - \$2,500.
2. The September 25, 2005 'Knabe Katch' Fishing Derby event to stock the lake at La Mirada Park with catfish - \$2,500.

**PURPOSE OF RECOMMENDED ACTION**

The Commission determined the grant requests will promote education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

**JUSTIFICATION**

The Los Angeles County Fish and Game Commission, at its April 14, 2005 meeting, recommended that your Honorable Board approve the grant from the Fish and Game Propagation Fund. Since 1952, the Commission has supported activities and projects overseeing the propagation and protection of fish and game. The Commission continues to promote the best methods for the propagation and protection of fish and game in the state of California and Los Angeles County.

**FINANCING/FISCAL IMPACT**

There is no impact on the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover these costs.

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to Fish and Game Code violations in Los Angeles County.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

None.

Very truly yours,

Dear Commissioners:

On Saturday, June 4, 2005, my Office, in partnership with the City of Cerritos, California State Fish and Game Commission, County Fish and Game Commission, County Department of Parks and Recreation and the County Department of Children and Family Services, will once again be sponsoring the Annual "Knabe Katch" Fishing Derby at Cerritos Regional Park.

This year's event will feature "Family Fishing Day" and a pancake breakfast. Neighboring communities have been invited to attend, as well as families from the Los Angeles County Department of Children and Family Services.

We would be extremely grateful if the Commission could once again join us in this partnership by providing approximately 1,000 pounds of fish (catfish and trout) at a cost of \$2,500. We would need to have the fish delivered to the Cerritos Regional Park on Thursday, June 2, 2005.

Thank you for your consideration, but more importantly for the generosity you have shown for our communities. My Deputy, Gail Tierney will be contacting you soon to follow-up on this request.

Sincerely,

DON KNABE  
Supervisor, Fourth District  
County of Los Angeles
